

ultrasound simulator course

Termin

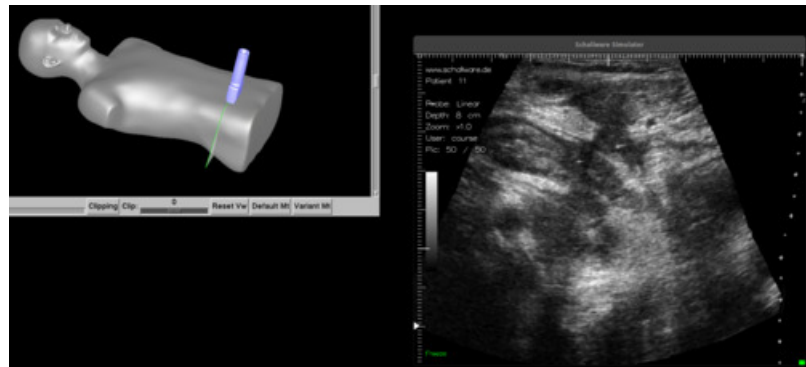

TUESDAY, 18.02.2025

Veranstaltungsort

Schallware Campus
Wiltbergstrasse 50 Haus
20a
13125 Berlin
Germany

Kurszeiten

8:30-16 Uhr

**Description**

Workshop Introduction Intestinal Ultrasound and IBD (EN)

speakers:

Dr. med. Claudia Lucius (DEGUM 2), Poliklinik Helios Berlin-Buch,
gastroenterologist

PD Dr. med Jochen Herrmann UKE Hamburg, radiologist,
pediatrician, head of department

Dr. med. Rob De Knegt (EPA5, IBUS,), Erasmus MC University
Medical Center, gastroenterologist, Rotterdam NL

PD Dr. med. Karim Hamesch (DEGUM 2), Uniklinikum Aachen,
gastroenterologist

Thema

Welcome, getting to know participants, instructors and program

Introduction into simulation technique

Basics with lecture and hands-on (examination procedure,
sonoanatomy and measurement of intestinal wall)

Live-demonstration of examination procedures on living model

Coffee break

Main pathologies (hands-on): diverticulitis, appendicitis, bowel
obstruction

Lunch break

IBD Introduction, Assessment of inflammatory activity,
differences UC versus CD, pediatric aspects, standardized
reporting (lecture and hands-on)

Coffee break

IBD complications (hands-on).

Summary and Evaluation
